

A. Scholarships

S. Thomas University recognizes academic excellence through a generous scholarship program. The university offers a wide range of entrance awards to highly qualified students admitted on the basis of their high school record, as well as numerous scholarship-in-cooperation with industry and other organizations that have achieved academic distinction at S. Thomas.

Entrance Scholarships

The Entrance Scholarship program is highly competitive and designed to acknowledge outstanding scholarship to the S. Thomas University campus. Each year, once specified, the entrance award is open to candidates for full-time admission to the faculty of the Bachelor of Arts program who are applying on the basis of their high school record.

1. Selection Criteria

In selecting entrance scholarship recipients, the primary criterion considered by the Entrance Scholarship Selection Committee is the academic record. The Committee evaluates the following:

- admission average
- Grade 12 program: courses and levels
- rank in graduating class
- program and performance in grade 11

Note: The admission average is calculated on the senior-level academic English grade and the grades on four other Grade 12 academic courses drawn from our list of approved admissions subjects. For details, please consult Section One, Admissions and Registration. At mid-year, the admission averages for scholarship purposes is calculated on the overall average of final grades on Grade 11 academic subjects, as well as final first-semester results or mid-year results (for non-semestered schools) on Grade 12 academic subjects.
